

The Person Behind The Face Of Mine,

Many people don't know,
Who's the person behind the face of mine?
Many people don't know,
Who am I?
Things that I know about them,
I can say that they don't know who is the person
behind the face of mine;

Many people want to know the person who is behind
the mask of mine,
For those who don't know,
I will let them to know!

The Person Behind The Face Of Mine,
Is very intelligent, very resilient and very confident,
He is very charming, but very complicating!

He is not what others think of him,
There's no doubt that he's auspicious,
But his acts are vary suspicious,
He is helpful, I can see,
But sometimes he is wrathful!

No one knows what's his purpose of being alive,
I know about it, that one goal keeps him alive,
Is that he wants to make a world of righteousness, I
can see
But he lacks control over him, that's a problem, I can
see;

Vary polite, delight, light-hearted, kind-hearted,
helpful, respectful, emotional and intellectual is the
person who is behind the mask of mine!

I know him vary well, but that's the tip of the ice berg,
you can say,
As I don't know, why he want to be the man of
righteousness? What motivates him? Do he know
what is love? Do he love his family?

Ah! He is vary complicating that's a problem,
He is vary debating, sometimes quarrelsome,
He lacks patience, that's a problem,
He reads people like book but others can't read him;

There's no doubt, that he have talent,
But sometimes he takes arrogant,
He is curious, furious to act, full of energy,
full of courage but sometimes full of rage!

In the conclusion, I have to say that he is vary
complicating, that's the problem,
I am out of time, that's another problem,
I don't know much, that's the main problem!

A Poem By Ansh Pundir,
